Read:

1. From the State Planning Commission, Ezhilagam letter No.860/SPC(PC)/ 2015, dated 29.06.2015.
2. From the Chairman and Managing Director, Tamil Nadu Handicrafts Development Corporation Limited, Letter Rc.No.4900/DC/2015, dated 11.09.2015.

ORDER:

In the letter first read above, the Member Secretary, State Planning Commission has intimated approval of the Scheme for e-repositioning of Artisans and their skills under State Innovation Fund for the year 2015-2016 and also recommended to sanction a sum of Rs.1.00 crore.

2. In the letter second read above, the Chairman and Managing Director, Tamil Nadu Handicrafts Development Corporation Limited has stated that it has been estimated that there are over 2 lakh artisan families in Tamil Nadu for whom crafts are the major source of income. Out of this, only around 16000 family records are available currently with the Corporation. Further to proceed with any more marketing and production activities there needs to be a link between Corporation and the artisans at large. Thus, the concept of an e-Repository will prove to be equally beneficial for both the Corporation and the craftsmen. Repository will contain the basic details of every artisan / or his family. Enough space will be provided to capture artisan's discipline, years of experience, location, contact details, honours and awards won, exhibitions held and his qualifications. The artisan can also provide a detailed biography. Their works of craft along with their price ranges can be uploaded into the media gallery tabs and videos of the production process can be added to provide an educational edge.

3. The repository will work as an individual wikilikepage for every artisan in the state -featuring their history and works of craft. Thereby, artisans can connect amongst themselves, the Corporation can increase their target audience and the general public can get exposed to these intricate crafts and craftsmanship. The mutual benefits will come to play when the Corporation uses this e-repository as platform to engage experienced artisans and provide trainings to other up-and-coming artisans.

4. The Chairman and Managing Director, Tamil Nadu Handicrafts Development Corporation Limited has stated that the estimated cost of e-Repository of Artisans and their skills is as follows:-

Cost of collecting data and survey in 32 districts		Rs.5.00 lakhs
Development of application software and testing		Rs.90.00 lakhs
1. Application software	Rs.50.00 lakhs	
2. Web Portal	Rs.15.00 lakhs	
3. Testing	Rs.25.00 lakhs	
Cost of hosting application software on a cloud platform		Rs.5.00 lakhs
Total		Rs.100.00 lakhs

5. The Chairman and Managing Director, Tamil Nadu Handicrafts Development Corporation Limited has requested to sanction a sum of Rs.1,00,00,000/- (Rupees One Crore only) under "State Innovation Fund" towards e-Repositioning of Artisans and their skills for the year 2015-2016.
