1. From the Director of Municipal Administration Letter Roc.No.33715/P1/2015, dated 19.05.2015.
2. From the Member Secretary, State Planning Commission Letter No.860/SPC(PC)/2015, dated 29.06.2015.

**ORDER:**

In the letter read above, Director of Municipal Administration has submitted a research project called Ground Water Sanitation Nexus Research Project in small towns of Namakkal District with detailed budget estimates in order to examine and alleviate the challenges to ground water quality posed by poor sanitation and with the aim of developing a sustainable faecal sludge management framework in the State of Tamil Nadu using Namakkal and Erumaipatti towns as case examples. He has also requested the Government to take up the proposal to State Planning Commission for the allocation of fund under Tamil Nadu Innovation Initiatives 2015-16.

2. The State Planning Commission has recommended the proposal for a research study with objective to develop a low cost sustainable on-site sanitation technology, at a total cost of Rs.60 lakh in Namakkal District (NGO's contribution would be Rs.30 lakh and the remaining Rs.30 lakh from the Innovative Fund) in collaboration with the Non Governmental Organization Arghyam Foundation. While stating that the projects executed by Non Governmental Organizations of repute can be considered, provided that in every such case, evaluation of the innovative scheme by independent third party agency would be obligatory, the commission has suggested that, without having the impact evaluation, Government may decide whether this project can be funded under Tamil Nadu Innovation Initiatives Schemes.

3. After careful examination of the proposal in the light of the recommendation of the State Planning Commission, the Government accord sanction for a sum of Rs.30.00 lakh (Rupees thirty lakh only) towards implementing the project of Study on linkages between Sanitation and ground water quality in Namakkal District under the Tamil Nadu Innovation Initiatives Schemes Fund.
