From the Registrar, Tamil Nadu Agricultural University, letter No.TNAU/F283/TANII Request for fund release/2017, dated 12.04.2017.

ORDER:

The following Project of Tamil Nadu Agricultural University has been approved by the State Planning Commission under Tamil Nadu Innovation Initiatives (TANII) Projects for the year 2017-2018 (Round I).

Organic Inputs and Bio Inputs Characterization for Sustainable Organic Agriculture - (Rs.132.00 lakh; 1st year budget Rs.117.00 lakh)

2. The Registrar, Tamil Nadu Agricultural University has sent proposal as approved by the State Planning Commission and stated that Indigenous Agriculture can play a key role in the design of sustainable and eco friendly agricultural system. The raw materials required for the preparation of indigenous organic formulations are available locally within the farming communities. The farmers prepare the following formulations widely and spray on crops without any standardization: Panchagavya, beejamruth, jeevamruth, ginger - garlic extract, fish amino acid, agniastra, neemastra, amruthpani, and other plant extracts. So far, there

is no scientifically validated organic input in the current organic agriculture system except Tamil Nadu Agricultural University Panchagavya. The stakeholders expectation is to have scientifically validated organic inputs. So the present proposal addresses the evaluation, assessment, validation and characterization of the organic inputs, biopesticides and bioinoculants. Preparations of the organic formulations may be established as an enterprise to uplift the livelihood of youth, entrepreneurs and general public. The present project will be the pioneering one in evaluating the existing organic inputs, bio-inoculants and organic pesticides of the State and at the National level. Scientifically characterized organic inputs will promote organic farming technologies for sustainable agriculture and certification.

3. The Registrar, Tamil Nadu Agricultural University has, therefore, requested the Government to issue necessary orders for administrative approval for the implementation of the project viz., Production and supply of quality vegetable seedlings of major vegetable crops - An innovative approach and sanction an amount of Rs.117.00 lakh for the first year 2017-2018 to take up the works according to the technical programme.
